Legacy of SMS

SMS, one of the pioneering institutions in management education in the country, is celebrating its Diamond Jubilee this year. The school remains committed to upholding the high standards set from its inception in all areas of management education and research. Initiatives in skill development, curriculum enhancement, internships, and student enrichment have transformed SMS into a globalized learning center, providing well-balanced exposure to curricular, extracurricular, and co-curricular activities.

The institution is home to a vibrant student community and distinguished faculty members with exceptional credentials. SMS boasts an unparalleled student placement record, making it one of the top B-schools in the country in terms of return on investment (ROI). With a strong alumni network of 5,000 professionals spread across the globe, SMS offers an enriching environment for learning and development, shaping students into well-rounded individuals.

Vision and Mission

→ Vision

To be recognized as a center of excellence in management, transforming students into thought leaders and innovators for a progressive and sustainable society.

→ Mission

- To contribute to nation-building by training young talents to meet industry standards of professional competence through an industry-aligned curriculum and by nurturing entrepreneurial orientation among students.
- To empower students to transform into management professionals of global competence with state-of-the-art knowledge, skills, and ethical values through an experiential and transformative learning process.
- To facilitate an inclusive and diverse academic environment in which students, researchers, and faculty can pursue excellence while adhering to the highest standards of ethics and sustainability, and commitment to society.
- To positively influence the body of knowledge in management and business practices in the country through continuous research and innovation.

From our leadership

Dr. Sam Thomas

Director

School of Management Studies

“In today’s rapidly evolving and globally interconnected business environment, effective leadership requires strategic vision, adaptability, and continuous learning. The Executive MBA programme at the School of Management Studies, CUSAT, is designed to equip experienced professionals with advanced managerial skills, interdisciplinary knowledge, and practical insights to navigate complex business challenges and accelerate long-term career growth.

Rooted in a legacy of academic excellence, the programme blends rigorous theory with real-world application through a flexible learning structure that enables professionals to balance education with career commitments. Our distinguished faculty and a diverse group of participants create a dynamic learning ecosystem that fosters rich peer learning, broadens perspectives, and inspires innovative solutions. We welcome ambitious professionals to join us on this transformative journey of leadership and professional excellence. ”
