Vision

To be a premier center of excellence in management education providing globally relevant thought leadership for a progressive and sustainable society.

Mission

- To contribute to nation-building by training young talents to meet industry standards of professional competence through industry-aligned curriculum and by nurturing entrepreneurial orientation among students.
 - To empower students to transform into management professionals of global competence with state-of-the art knowledge, skills, and ethical values through experiential and transformative learning process.
 - To facilitate an inclusive and diverse academic environment in which students, researchers and faculty can pursue excellence while adhering to highest standards of ethics and sustainability, and commitment to society.
 - To positively influence the body of knowledge in management and business practices in the country through continuous research and innovation.
- 

Student's Pledge

I pledge myself to be a worthy student of SMS, CUSAT. I consider my fellow students as my brothers and sisters. I am proud of the tradition of my school and commit myself to strive to uphold the name and prestige of the school. I respect my teachers, other staff, parents of fellow students, alumni, and friends of SMS for what they have been to us. I pledge my cooperation and help in all activities of SMS as happiness lies in the success of all around. God helps me keep my pledge.

FOUNDER

Professor (Dr.) M.V. Pylee

“

Padma Bhushan Emeritus Professor, (Dr.) M. V. Pylee (1922 - 2017) was an Indian scholar, educationist and management guru, considered by many as the father of management education in Kerala and an authority on Constitutional Law. He was awarded Padma Bhushan in 2006 by Government of India for his contributions to the field of education and management. He was the Vice-Chancellor of CUSAT from 1977 to 1981 and also Founder Director of the School of Management Studies, CUSAT. He had also instituted the M. V. Pylee Award for the Best Distinguished Academician in India.

”

MESSAGE FROM

Prof. (Dr.) P G Sankaran

*V***ICE**

*C***HANCELLOR**

Cochin University of Science and Technology has been the flag bearer of higher education since 1971. The institution offers a wide range of undergraduate, postgraduate, and doctoral programs across various disciplines. The academics at CUSAT are designed to provide students with a comprehensive understanding of their chosen subjects incorporating theoretical knowledge, practical skills, and research-oriented learning.

School of Management Studies, CUSAT (Cochin University of Science and Technology) is the first Business school in South India. SMS, with its legacy of more than five decades, has blossomed into one of the most distinctive and reputed institutions, that has contributed numerous outstanding professionals to the field of management and business.

To our students, as you embark on this new phase of your journey, remember that your education at CUSAT has equipped you to make a difference. Be confident, seize opportunities, and continue to learn and grow. I do not doubt that you will carve a successful path for yourselves. To prospective employers, I invite you to join us in shaping the future of our nation by recruiting our talented graduates.

Message From

Prof. (Dr.) Jagathy Raj V P

DIRECTOR

The School of Management Studies (SMS) at Cochin University of Science and Technology (CUSAT) is a distinguished institution since 1964 that offers high-quality management education, preparing students to excel in the dynamic and competitive business world. As the Director of SMS, CUSAT, I take great pride in leading an institution that is dedicated to nurturing exceptional talent and shaping future professionals. SMS stands at the forefront of academic excellence, research, and innovation. Our commitment to providing a holistic education experience is reflected in our comprehensive curriculum, world-class infrastructure, and esteemed faculty. We strive to create an environment that encourages intellectual curiosity, critical thinking, and practical application of knowledge.

The Class of 2024 has surpassed expectations and established remarkable achievements in various domains, including academics, corporate competitions, arts, and sports. The updated curriculum is par with Industry 4.0 and rigorous training provided to the students have equipped them with comprehensive skills aligned with the National Occupational Standards (NOS) developed by the Sector Skills Councils (SSC) as well as the demands and skill requirements of Industry 4.0. This focused approach enhances their employability and ensures they are fully adept in their respective fields.

Message From

Dr. Mannu Melwin Joy

P L A C E M E N T *C* O O R D I N A T O R

In today's ever-evolving landscape, academic institutions must embrace a new approach to cultivate a generation of professionals. SMS nourishes a viable herd of talented and skillful students. I consider it an honor and a source of immense joy to introduce to you the MBA batch of 2022-24 from the School of Management Studies, CUSAT. The unwavering passion and determination displayed by these students have consistently impressed us, and I firmly believe that their diligent efforts will yield fruitful outcomes.

Drawing inspiration from our esteemed alumni, who have carried the legacy of the School of Management Studies, I have full confidence that the students of the batch of 2024 will continue this proud tradition for years to come. They represent the very best that our institution has to offer, excelling not only in academics but also displaying high levels of motivation and skill in various non-academic endeavors. Equipped with the right blend of knowledge, attitude, and aptitude, they are poised to make a significant impact in their chosen fields.

On behalf of the School of Management Studies, I extend a warm welcome to all recruiters to our campus placement program for the academic year 2022-24. We are eager to showcase the exceptional talents of our students and facilitate meaningful connections that will benefit both the recruiters and the students.

PEDAGOGY

- School of Management Studies has crossed new heights by being the first government-owned management school to introduce business simulations in the course curriculum. This will help the students to make better decisions in all aspects of a business. This will also give them a practical understanding of the importance of teamwork and problem-solving in a dynamic workspace
- School of Management studies employs a plethora of modes to ensure maximum absorption and effective utilization of concepts. Retaining the positive aspects of online learning, the school has adapted for a hybrid curriculum wherein conceptual clarity and applications.
- At the School of Management Studies, the education program is inclined towards overall development. It has stepped right in to adapt to the changes and trends that Industry 4.0 brings.
- The club activities hosted by the School of Management Studies are a means of knowledge acquisition, talent identification, and exposure to the outside world. This gives opportunities for robust overall development of the students as well as motivates them to try new dimensions.
- Multiple opportunities are provided to the student through live interactions, conclaves, and leadership talks. They facilitate open-channel communication with experts and alumni which further enhances the growth curve through experience learning.
- Innovative learning channels are opened for students, comprising of developing business plans, pitching sessions, case studies, and an entrepreneurial experience enabling them to tackle real-world problems with better understanding and zeal. This process also enhances their decision-making abilities and tolerance to risk handling. The gamified approach to everyday lectures motivates students to deeply grasp the relevant concepts.
- The adoption of an outcome-based model promotes a practical learning approach. The revision of the syllabus to incorporate industry trends also aids in equipping the students with tools that will in fact reflect positively on the student's employability skills.
- SMS has also adopted to MOOC learning methodology, wherein every student may choose a course within the prospects but outside of their regular curriculum. This course will carry a weightage on their final course outcome. It builds and nurtures in the learners the drive to align their schedules for sessions and regular coursework. It promotes within them the aptitude and importance of self-learning

COMPREHENSIVE CURRICULUM

The School of Management Studies (SMS) at CUSAT offers a comprehensive curriculum that emphasizes a balance between theory and practice. Classroom time, club activities, and extracurricular activities are given equal importance and priority. Practical application is emphasized through exercises, assignments, and real-world scenarios. Continuous assessment, including theory and application-based exams, class participation, activities, assignments, and outlook, carries equal weightage as end-semester examinations. The extent of knowledge acquisition is measured using outcomes-based question papers based on Bloom's Taxonomy. Subjects requiring a practical outlook incorporate activities, discussions, pitching, and presentation sessions into the weekly class schedule. Domain clubs provide a platform for informal discussions and panel meetings. Managerial Skill Development is integrated into the first two semesters to equip students with soft skills and industry trends, acting as a soft launch pad for the corporate world. The SMS curriculum aims to move away from rote memorization and promote mindful learning.

HIGHLIGHTS OF NEW CURRICULUM

- Equal weightage and priority for curricular, co curricular and extracurricular activities.
- Practical enabled internal assessments and Bloom's Taxonomy outcome based external assessment.
- Business simulation for better Real world understanding.
- Regular interaction with industry experts.
- Experienced with latest software.
- Skill Development at par with Industry 4.0.
- Managerial Skill Development for improving soft skills.

Alumni Testimonials

Brinda Lovely
Director, Google, Inc.

SMS was a turning point in my life. It took me in as an engineer and turned me into a leader. Working closely with classmates on group projects, La Nostalgia, and Talentime helped me develop the team-building and leadership skills I needed to succeed in my career. Connections with our extensive alumni network provided me the necessary foundations to get a head start in the world of business.

Roshan Nambiyattil
Head of VMO, Meta

Beyond the formal, in-class foundation I got in business strategy and marketing, what I cherish the most is the learnings outside it! The activities I got involved in - Talentime, market research, event management, etc., helped shape my can-do attitude, build the muscle to take smart risks, and make lifelong friendships

Ashwathy Venugopal
Co-Founder, Avasarshala

I am a proud alumni who is always eager to come back to SMS and witness the shaping of new generation leaders at this campus. The learning process here has always been practical and Industry-relevant, giving us opportunities to put management and leadership principles to practice through various avenues and activities at the campus. The students are given space to grow in a free yet disciplined structure. I owe my foundational learning in business and entrepreneurship to the faculty and pedagogy followed at SMS.

Vishnu Jyothi
Sr. Executive, Flipkart

SMS opened a plethora of opportunities to grow holistically and experience avenues beyond just text books and classroom academics. the in-house activities and fests puts each student or should I say future entrepreneurs/manager's through a multiverse of learning and experience for career and life. They say "All the glitters is not gold", but SMS truly to its fullest taught me that I don't need to be gold to glitter and standout in the crowd of hundreds or thousands out there.

TALENTIME

WHERE TIME AWAITS TALENT

www.talentine.in

Talentine is the signature management fest of School of Management Studies, CUSAT, and South India's biggest management fest. It is the most prestigious event in all of CUSAT and is the biggest fest hosted by a single department within the university. Organized solely by the budding managers of tomorrow, Talentine is the best in magnitude in terms of participation and unmatched energy. The history of hosting over 1500 students from 100+ institutions backed by more than 50 sponsors speaks volumes.

The flagship events include –

- Best Manager
- Best Team
- TalenTime Group Dance
- Voice of TalenTime
- IPL Auction
- Live Photography
- Treasure Hunt
- Business Quiz

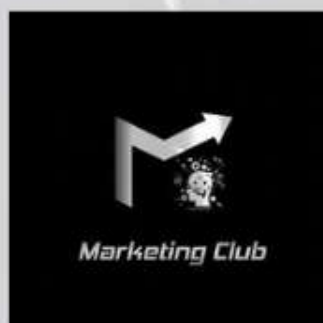

CLUBS AND COMMITTEES

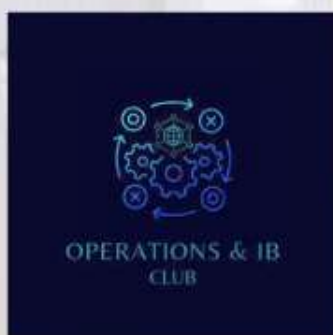

People's Hub, the HR Club of SMS, CUSAT aims to chisel the HR skills of the budding managers by providing a platform to connect, learn, and grow together.

The **Finance Club** of SMS, CUSAT opens up the pathway towards financial knowledge for students by exploring the exciting world of finance and empowering them with skills to succeed in the financial industry.

Marketing Club is a dynamic community dedicated to exploring the ever-evolving world of marketing and focuses on sharing real-world marketing knowledge and experiences for the forthcoming Managers in SMS, CUSAT.

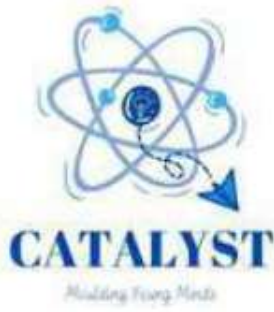

Infoverse, the IT and Analytics Club is brimming with information that creates a better appreciation of technology and Analytics.

The **Operations and IB Club** generate knowledge among the students of SMS, CUSAT on topics like supply chain, logistics, international business, and many more.

CLUBS AND COMMITTEES

Catalyst, the entrepreneurship Club ignites the entrepreneurial skills and ideas inside the students and assists in turning their ideas into reality.

Sparsham, the CSR Club is focused on creating social responsibility and community service among the students of SMS, CUSAT.

Readifine Club is for the book lovers and wanna-be book lovers where students come together, share their views and express themselves.

The **Speakout Club** of SMS, CUSAT aims to help students in refining and encouraging their oratory, as well as other communication skills.

CINEPHILIA

Cinephilia, the movie Club is a refreshing break to engage and discuss films through different lenses and perspectives for students of SMS, CUSAT.

CLUBS AND COMMITTEES

NSS unit 009 of CUSAT, withholding the motto "Not me But you" orients student youth into community services along with management studies.

The **Nature Club** of SMS, CUSAT has been featured in various media outlets for their continuous efforts to promote events focusing on building and nourishing mother nature.

ASSOCIATION WITH KMA AND PMI

SMS is associated with the Kerala Management Association (KMA), contributing to the comprehensive development of our students' business acumen. Our collaboration with KMA opens doors to a wealth of management insights, diverse perspectives, and networking opportunities within the professional landscape of Kerala. By engaging with KMA, SMS ensures that students not only gain theoretical knowledge but also acquire practical insights into contemporary management practices, enhancing their readiness for successful careers in the business world.

At the School of Management Studies (SMS), we are proud to host a dynamic student chapter for the Project Management Institute (PMI). This chapter serves as a gateway for our students to explore the intricacies of project management, providing access to valuable certifications, networking opportunities, and insights from industry experts. Through our PMI affiliation, we empower students with the skills and knowledge essential for effective project leadership, aligning their academic experiences with real-world practices.

ABOUT KOCHI

Kochi aka Cochin, a metropolitan city commonly called “Queen of the Arabian Sea” is a Tier- II city by the Government of India. The city has a legacy of being the trade port dating back to the pre-Islamic era. The city is known as the financial, industrial and commercial capital of Kerala. It is easily accessible by road, rail, water and air. The fast paced city of the South embraces a rich culture. The way in which Kochi embraces the old and the new and serves as a bridge between cultures and trends is mesmerizing. It is, at times, a wise master who teaches you about the little but important things in life. The city humbles you by showing you the world in a very different perspective.

Kochi is the city of opportunities for those who seek her out. The scenic beauty, transition from wild to groomed and the hustle of the city – all provide with enough angles and take you each, on a specific journey. It is this unique trait of Kochi that welcomed many known brands to her- right from local to international. Kochi is a host to many multinational corporations and brands including but not limited to Starbucks, Harley Davidson and Porsche.

The startup ecosystem at Kochi is also worth mentioning. What better place than the city of opportunities to get established in? The Kerala Startup Mission incubation centre at Kalamassery, Kochi has been supporting new ventures with open hands. Kochi being the venue of Biennale and a metro city at the same time is just the indication why it can be two at once – a place of tranquil and hustle at the same time!

HOW TO REACH SMS

Nearest Airport :

📍 Cochin International Airport - 19 km

Nearest Railway station:

📍 Aluva-9 km; Ernakulam

📍 South Kalamssery-1 km

📍 Ernakulam Town-9 km

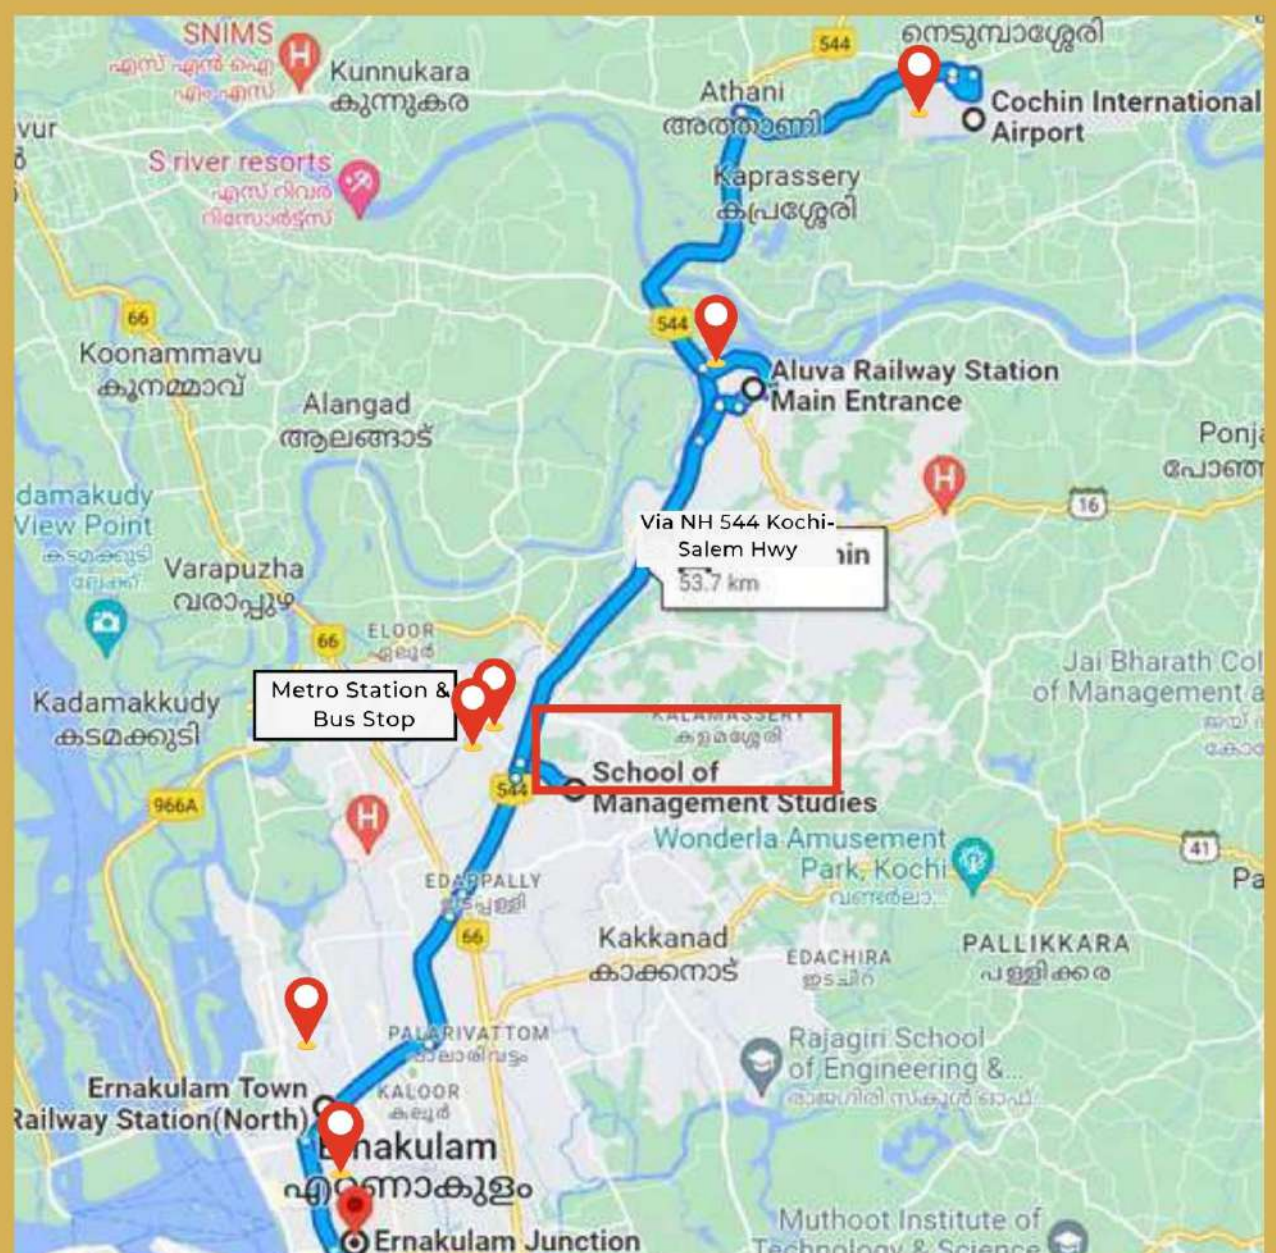

📍 Ernakulam Junction -13 km
